CELTIC MANOR RESORT

The Home of Welsh Golf

As proud host of the 2010 Ryder Cup, the Celtic Manor Resort combines world-class golf with unparalleled hospitality. Enjoy our exceptional facilities and championship courses, including The Twenty Ten, Roman Road and The Montgomerie as you tee off on our first class fairways while taking in the breathtaking views of the Usk Valley.

Whether you are planning a small team outing or a large-scale tournament, we provide tailored experiences that combine business and leisure in an unforgettable setting. Stay, dine and relax as we help you create lasting memories and strengthen connections on and off the course.

THE TWENTY TEN

Par 71 | 7,493 yardage

Built to stage the 2010 Ryder Cup, the first course to be designed specifically for golf's greatest team tournament, the Twenty Ten Course has also hosted numerous European Tour events.

With water hazards on half of its holes, the course presents many memorable tests and risk-and-reward dilemmas. One of the spectacular course's strengths is its variety, with many of the earlier holes having a links-like feel with long rough and greenside swales, before the middle section reveals the full extent of the lake-lined challenge.

An exciting final stretch culminates in a real sting in the tail at the 18th. Follow in the footsteps of golfing greats such as Rory McIlroy and Tiger Woods, and experience the thrill of playing on the same fairways and greens where history was made.

Complimentary benefits when playing The Twenty Ten course include:

- Personalised locker in The Ryder Cup Locker Rooms
- Bag drop and club transfers to the practice area
- Use of the warm-up facilities 30 minutes prior to your tee time
- Personalised golf gift
- Club cleaning post-round
- Shoe cleaning post-round

ROMAN
ROAD

ROMAN ROAD

Par 70 | 6,406 yardage

The very first of the Resort's courses, Roman Road opened in 1995 and has since become a favourite for hosting corporate events.

Overlooking the Severn Estuary with views across to Somerset and Devon, this course was designed by Robert Trent Jones Senior. It is named after the old Via Julia Roman highway that ran through its fairways.

Venue for numerous European Tour and Senior Tour events, this challenging course features some long open fairways but also a number of twists and turns through trees and across streams.

THE MONTGOMERIE

Par 69 | 6,196 yardage

The legendary Colin Montgomerie has called on all his Ryder Cup experience to create a spectacular course with many exciting tests of strategy.

Montgomerie has also drawn on his roots in Scottish links golf to create a traditional feel enhanced by deep and penal pot bunkers.

Spectacular views abound with dramatic tee shots over valleys and breathtaking hill shots. The perfect alternative for those seeking a more challenging twist on the Roman Road, making it ideal for your corporate golf day.

LEWIS ROBINS

Senior Events Executive - Golf Specialist

My golf journey began at Caerleon Golf Club with my grandad during school holidays, sparking a lifelong passion for the sport. I've been a keen follower of major golfing events, including volunteering at the 2010 Ryder Cup and attending the 150th Open at St Andrews in 2022. What I love most about golf is the social aspect and the chance to explore new destinations and courses, having played in Portugal and Cyprus. Currently holding an 18 handicap, I am always excited to embrace the challenges and joys that each round brings.

In my career spanning over 13 years with the Celtic Collection, I've progressed from a seasonal golf associate to Assistant Golf Manager. I've had the privilege of working closely with the European Tour to deliver six Wales Opens and several celebrity cups, as well as leading high-profile corporate events. My dedication was recognised when I was nominated for Golf Spa & Leisure Employee of the Year in 2016 and won the award in 2018. Now in the events team, I bring my extensive expertise to ensure every client enjoys a memorable and exceptional experience. As one client shared about an Annual Charity golf day that I ran for 7 years, "Can you please pass on my heartiest thanks to Lewis who was his usual professional and accommodating self and delivered amazing support on the day to our entire team and guests."

MATT TABOR

Senior Events Executive - Golf Specialist

Golf has been a significant part of my life since I was 12, when my grandfather gifted me my first junior club. I was instantly captivated by the sport, finding joy in the fresh air and the challenge of the 18-hole course. Golf quickly became my favourite pastime, offering a unique escape from other hobbies. My passion for the game has been reflected in my playing experience. I honed my skills at the Celtic Manor Resort during summer breaks from university, where I developed a handicap of 1.3 and achieved success in National Welsh Competitions, both at the Resort and across Wales.

In my professional career, I've specialised in crafting high-end corporate golf events across various industries, including Food & Beverage, Healthcare, Construction, Financial, and Petroleum. One of my career highlights was successfully securing a major event that included three championship courses, a hotel, and a 500-person gala dinner for a single client. I'm committed to ensuring that each event surpasses expectations, drawing from my rich experiences and understanding of the sport. As one of our valued clients noted, "One of the reasons we are here is your clear passion for golf and the resort. We are looking forward to working with you on the event and all future bookings." This testimonial is a reflection of my commitment to excellence and ensuring the highest level of client satisfaction.
